EDINBURGH EARLY LEARNING CENTRE

The **Edinburgh Early Learning Centre** is nestled in the foothills of the Dandenong Ranges on Edinburgh Road. This purpose-built facility caters for the educational needs of children from the age of two through to school age. It is conveniently situated adjacent to both Edinburgh Adventist Primary and Lilydale Adventist Academy, ensuring a smooth transition from early childhood right through to Year 12.

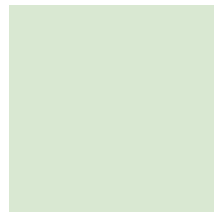

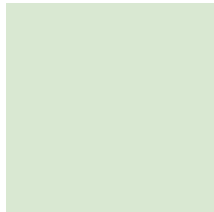

The Edinburgh Early Learning Centre provides a warm and caring environment with dedicated Christian staff ensuring high quality care for your children. We offer a 4 year old funded kindergarten programme, 3 year old programme and long day care with half day options.

We place a strong emphasis on Christian values. This is promoted through every aspect your child's day and through their interactions with others. We encourage a high standard of courtesy, honesty and respect at all times.

- Kindergarten sessions**
- Long Day Care**
- Half day option**
- Out of School Hours Care**

Our staff members focus on the observed needs and interests of your child and plan your child's experiences accordingly. These experiences include a range of construction and role play activities in both an indoor and an outdoor setting. Your child will have opportunities to express themselves creatively through music, dance, art and crafts. Our staff also provide your child with writing, drawing, reading and sensory experiences appropriate for their development.

Our 4 year old Kindergarten programme, known as Transition to School, prepares your child for their first year of school. This unique programme has the additional features of early literacy and numeracy skills, LOTE, weekly library sessions and music woven into their daily programme.

GROWING FAITH
